Sunday Schools Plan Excursion

Every Church And Sunday School
In Astoria And Vicinity In-
vited to Join.

A proposition is to be considered to-
day by the various Sunday schools of
the city for uniting in a grand joint ex-
cursion and picnic to be given within a
short time—possibly on next Friday,
the probable objective point being Sea-
side. The suggestion has been accepted
with enthusiasm by the pastors and
superintendents of the city, the idea of
a general union house warming, so to
speak, striking a popular chord.

In many eastern cities, and in some in
the west, it has been customary for
years for the Sunday schools, without
regard to sect or creed, to join annual-
ly in grand demonstrations which have
the combined purpose of giving all the
children an outing, engaging in profit-
able exercises, promoting harmony and
fraternal spirit and demonstrating the
life and strength of such organizations.

It is intended that this effort shall serve
these ends, except that probably no
general exercises will be held.

Rev. Wm. Seymour Short, one of the
most enthusiastic promoters of the
plan, said:

"I am heartily in favor of a general
union picnic, not only this year, but
every year. We should turn out in
force every summer, including every re-
ligious organization and religious per-
son in the city, and go together for a
day's pleasure and association with
each other. It will do us good as in-
dividuals, as churches and as a people.
I hope every pastor and Sunday
school superintendent in Astoria will
succeed tomorrow in having their
schools agree to join us."

If satisfactory arrangements can be
made with the railroad it is probable
that the excursion will be run on the
regular train leaving Astoria at 8:15 a.
m., and will be conducted by the com-
pany, tickets being purchased at the
depot, and open to everybody who
wishes to go at the same fare paid by
the Sunday schools, probably 25 cents
for children and 50 cents for adults for
the round trip.

If this plan is arranged the schools
will thus give the public the opportu-
nity of enjoying the excursion as their
guests at a very low charge for trans-
portation. It is estimated that not less
than 1000 people would participate in
such an event.

It is desired by the promoters that
every school in the city appoint a rep-
resentative today to attend a meeting
to be held at the courthouse at 3 o'clock
tomorrow to arrange final details for
the event.

TAKE IT AWAY.

Following out the instruction given
him recently by the county court,
County Clerk Clinton yesterday filed a
communication with Auditor Anderson.
The street department is informed by
the communication that the county will
deny the contractors any more work,
unless the crusher is not more promptly
relieved of the material. This matter
has been causing some annoyance to
the authorities of late and the street
department will see to it that no fu-
ture complaints will be found neces-
sary.

WEDDING BELLS.

William Hubbard of Portland and
Miss Ethel Bradford, daughter of Mr.
and Mrs. J. C. Bradford of Seaside,
were united in matrimony yesterday at
the Methodist parsonage. Rev. Harold
Oberg officiating. The happy pair will
make their home in Portland.

The steamer R. Miller is the first of
the "Mosquito fleet" to install a steam
hoist. The engine has arrived from
San Francisco, and the Scow Bay Iron
and Brass works is casting the friction
drum and bed plate.

The Steamer Elmore arrived in yester-
day from Tillamook with freight
and passengers.

For plumbing that will be satisfac-
tory and safe give your orders to John
A. Montgomery, 425 Bond street.

TUESDAY EVENING

The swellest event of the season. The
Epworth League moonlight excursion
up the Columbia. Steamer Miller leaves
foot of Fourteenth street at 8 o'clock.

CRACK OARSMEN COMING

California Will Feature Its Best Crews
at Regatta.

The events that attracted most at-
tention along this coast on the Fourth,
were the aquatic sports that were pul-
led off on Lake Merritt, Oakland, and
while it has not been officially declar-
ed it is thought pretty certain that the
winners on that occasion will be here
during the regatta. The South End,
Dolphin and Alameda crews partici-
pated in the races and the Alamedas
won all events but one, and lost that
one through an error of the coxswain.
The men are in fine form and are ath-
letes of note.

The question of sending crews from
San Francisco and Oakland to take
part in the Santa Barbara regatta,
which is held next month, had been
discussed by the crack oarsmen who
made so fine a showing on Lake Mer-
ritt, but it is now practically decided to
come here instead. Should they do so
they will doubtless find enough to keep
them busy. Clubs from the sound and
the Portland Rowing club will be rep-
resented and will fight sturdily for hon-
ors.

The latter gave a good exhibition on
the Fourth, in spite of the rain. One
of the most exciting and certainly the
most amusing contests engaged in on
that occasion was the tilting match.
This is a novel race, that requires skill
of a rare order to overcome an oppo-
nent. It is simply ability to "paddle
your own canoe" and upset the other
fellow's at the same time. That this
match with all its entertaining fea-
tures will be introduced here next
month there is little doubt. Alto-
gether the sports on the water promise
to be of somewhat higher order and a
little more up to date than those given
in former years.

PERSONAL MENTION

Mrs. Wm. Dillon and son Thomas of
Portland were in Astoria yesterday for
the purpose of arranging for the re-
moval of the remains of Mrs. Dillon's
daughter Lulu from Greenwood ceme-
tery to Portland.

A. C. Manner and Miss Alice Smith
are spending today at Long beach.

Mrs. A. J. Taylor and Miss Mable
have returned from a visit of a few
days in Portland.

Prof. S. P. McCrea of Mountain View
Cal., is visiting in the city, the guest of
his brother, J. P. McCrea, and sister,
Mrs. Ford and Miss McCrea.

W. W. Ridehalgh returned last
evening from a week's trip to Tillamook.
J. C. Baker, a brother of Mrs. A. S.
Skyles, from Wisconsin, is her to
spend the summer.

Mrs. Kingsbury of Milwaukee, Wis.
is spending the summer with her dau-
ghter, Mrs. Capt. Payne, at Fort Col-
umbia.

Lieut. Brewster of Fort Stevens who
has spent a month's furlough at his
old home in Milwaukee and in New
York, will arrive back this week.

Miss Anna McLean returned yester-
day from a six week's visit in Pendle-
ton.

Dr. Roseburg went to Rainier last
night.

A. Collins, of the Ed. V. Price
Tailoring Co., of Chicago, was in the
city yesterday the guest of his patron,
Herman Wise. He also renewed the ac-
quaintance of Mrs. Joseph Schamber-
ger, with whom he was a schoolmate
in Illinois when they were children.

Miss Nellie Flavel will return home
on Friday from San Francisco where
she has spent the last six months.

Mrs. John Rogers will spend the sum-
mer with her mother, Mrs. Chas. Hell-
born, in Astoria.

Major and Mrs. Humphreys and
daughter Miss Humphreys are in Port-
land visiting their son Cecil, who is a
member of the Bailey Stock Company
now showing at the Marquam.

H. Clark, the drummer of the Allen
Stock Company who was stricken par-
tially blind while the company was
showing in this city, has recovered suf-
ficiently to travel and will leave this
forenoon on the Elder for San Francis-
co to join his mother who is a resident
of that city. Mrs. Clark was employed
for years as private secretary to Mrs.
Leland Stanford and only recently re-
signed her position.

The unique event of the excursion
season will be the delightful trip giv-
en by the Epworth League up the Co-
lumbia Tuesday evening next. Who
would miss gliding o'er the bosom of
"The Old Oregon" in her tranquility
and grandeur when the "moon in regal
motion mounts her throne" and pierces
the majestic waters with her silvery
shafts! Music, mirth and a pleasant
time in store for all. Steamer Miller
leaves foot of Fourteenth street at 8
o'clock sharp. Tickets, 50 cents.

Vote Is Not Very Brisk

Interest In Election Of Queen For
Regatta Must Freshen
Up A Bit.

Considering the fact that to cast a
vote for regatta queen involves an ex-
penditure of but one cent, there have
been few votes cast up to date. The in-
terest in the contest is by no means
intense, though an enthusiasm is ex-
pected soon to be shown, that will set
things boiling. Commencing the mid-
dle of next week, probably Wednes-
day, the votes will be counted and giv-
en to the public each day instead of
weekly as heretofore.

Following is the vote as it now stands
with those who have been fortunate
enough to obtain more than 400:

Miss Frances Thomas, 1223.
Mrs. W. W. Ridehalgh, 1108.
Mrs. A. A. Finch, 765.
Miss Amy Lemon, 498.
Miss Lottie Bennett, 460.
Miss Harriet Tallant, 450.

There will be enough queens in the
city during the regatta to suit the most
radical advocate of crown heads alive.
Besides The Queen, there will be
queens and queens, a partial list of
those to be present being as follows:
Ashland—Miss Kathryn Millon.
Roseburg—Miss Wilhelma Reed.
Grants Pass—Miss Centenna Rother-
mel.

Cottage Grove—Miss Sarah Bartels.
Albany—Miss Agnes Craft.
Salem—Miss Agnes Gilbert.
Corvallis—Miss Inez Williams.
Dallas—Miss Annie Dunn.

The royal ladies will act as maids of
honor, so the fortunate Astoria lady
will be doubly honored.

JOHNSON GETS PROMOTION.

B. D. Johnson, who has been in
charge of the Western Union telegraph
office in Astoria during the past eight
years, has received a deserved promo-
tion, and will leave within a few weeks,
or as soon as arrangements are made
for his successor, for Spokane. His
new duties are not as yet definitely out-
lined, but enough is known to show
that his faithful services have been re-
cognized by the officials of the com-
pany, who are placing him in a more
responsible position. During his resi-
dence here Mr. Johnson has identified
himself socially and commercially with
the interests of the city, and will leave
a host of warm personal friends who
will be reluctant to see him leave,
though pleased with his advancement.

NEW CHURCH PROGRESSING

Good work is being done on the Preb-
yterian church now in course of erec-
tion and it will be ready for service by
the first of October next. The roof is
completed so that now the work to be
done on the inside will not be interrupt-
ed by bad weather. Yesterday Thomas
Push was awarded the contract for do-
ing the plastering and the brick work.
The style for the interior has not been
definitely decided, though the proposed
oil finish will possibly be used. Pastor
Marcotte is highly pleased with the
progress being made on the structure
and is confident that it will meet all
requirements.
